Proud Supporter of Birdies for the Brave

Twin Cities

Birdies for the Brave is the PGA TOUR's primary vehicle for supporting the brave men and women of the U.S. Armed Forces and their families. Since 2005, the TOUR has joined with PGA TOUR players and corporate partners to raise millions of dollars for military homefront groups that directly serve military men and women lost or seriously injured in performance of their duty.

The PGA TOUR's TPC Network of private and resort clubs supports TOUR players' efforts by staging fundraising events that have raised millions of dollars for military homefront groups; hosting golf clinics for veterans; and adopting a wounded soldier at each TPC. Net proceeds from this year's event will be distributed by PGA TOUR Charities, Inc. to the following eight beneficiaries: Homes for Our Troops, Operation Homefront, United Through Reading, Intrepid Fallen Heroes Fund, Wounded Warrior Project, Military Warrior Support Foundation, Naval Special Warfare Foundation, Special Operations Warrior Foundation.

Named by Golf Digest among the best courses in state, TPC Twin Cities' par-72, 7,164-yard championship golf course was designed by legendary golfer and golf course architect Arnold Plamer to blend seamlessly with the natural rolling terrain on the site of a former sod farm located just north of Minneapolis/St. Paul. As part of the PGA TOUR's TPC Network, TPC Twin Cities is committed to help the PGA TOUR lead the way as the official sport of giving back; since 2005 TPC Twin Cities has raised over \$400,000 through its Birdies for the Brave efforts.
